Transport Department Portal (https://goatransport.gov.in)

Department of Transport, Govt. of Goa has revamped and launched its online portal on 09/04/2018 for the convenience of the citizens. Following payment services [Fee & Tax] has been made available online.

- a. Road tax
- b. Passenger tax
- c. Bulk passenger/road tax
- d. Cess fee
- e. Check post tax
- f. Counter signature fee
- g. New permit fee
- h. New rent a bike/cab license fee

After successful login to the portal various payment services can be accessed by the citizens.

Besides these various services related to Vehicle Registration, Driving Licence has also been made available online.

Payment Procedure

After successful login to the portal <u>https://goatransport.gov.in</u> various payment services will be displayed. Click on the required service, say "Pay Road Tax", provide the required details such as Registration No., and Tax Duration to generate the Tax to be paid. After successful generation of Tax Amount, proceed with payment through e-Challan Portal.

After echallan number generation, you are requested to note down the echallan no. & amount for future reference. Once you know the echallan no & amount, you may re-initiate the payment in case of failures by visiting <u>https://egov.goa.nic.in/echallanpg/haveechallan.aspx</u> site.

Note 1

All the online payments are to be done by using **https://goatransport.gov.in**/ portal

If the payments are initiated from <u>https://egov.goa.nic.in/echallanpg</u> or any other website, tax paid details and status in case of road tax, passenger tax & bulk tax payments will not get updated automatically with the vehicle registration details & the party will be bound to visit the concerned RTO for manual tax clearances by the officials. Therefore in order to avoid inconvenience, kindly ensure to initiate online payments through <u>https://goatransport.gov.in</u> portal.

Note 2

Echallan once generated will be **usable for 7 days** from the date of generation. If unused within this period, the echallan becomes invalid.

Alternatively, after generating echallan no. from <u>https://goatransport.gov.in/</u>, and in case of failures you may reattempt the online payment by visiting <u>https://egov.goa.nic.in/echallanpg/haveechallan.aspx</u> and keying in the echallan no & amount to be paid on prompt to proceed.

Note 3

You can check the e-challan payment status through https://egov.goa.nic.in/echallanpg/ website "e-Challan Payment Status" link (Enter e-Challan no. and Mobile No. [Party No.]), verify the status.

What to do when something goes wrong while attempting online payment?

If the money is not deducted and the transaction status is pending, the transaction may be reinitiated after cancelling the pending transaction from Bank's payment page.

Otherwise, may try any other bank account for the payment. With valid echallan, bank counter payment also may be done if the account is not deducted. Visit/click on <u>https://goatransport.gov.in/UserHelp/OnlinePayment.V1.pdf</u>, Page# 3 The generated echallan is valid for 7 days from the date of generation

If the money is deducted & payment fails or shows pending status, either payment status will change to Success or it remains the same.

In Success scenario, the tax payment is successful & tax validity gets updated in the system. In Pending/Failed scenario, the deducted amount will be returned to the bank account within 7 working days. And you will need to re-initiate the payment
